A PUBLICATION OF THE TESSERACT SCHOOL DEVELOPMENT OFFICE

SUMMER 2011

Nigel Taplin and the Tesseract Tiger with some of Tesseract's early childhood students.

As we say goodbye to another wonderful school year, I'd like to take this opportunity to thank you all for your continued support. Together we have enjoyed many special events, including Special Persons' Day and the annual Green Tie Event. Special Persons' Day at both campuses welcomed a record number of grandparents, relatives and friends who were able to share the Tesseract experience with us for a few hours; the Green Tie Event, Bourbon Street Blues, brought the spirit of New Orleans and the vibrancy of Tesseract together in celebration of our special school and raised funds—beyond the event's goals—which will further enrich our school's outstanding programs.

In addition to the year's events, you have also shown your support and commitment to Tesseract through your generous support of the NVEP-Tesseract—Arizona Private School Tax Credit Program, which helps fund Tesseract's financial aid program, and the Tiger Annual Fund, which helps support the school's operations.

The hours of time many of you have volunteered—from special classroom activities to the spring musical to author visits and committee involvement—every minute is greatly appreciated and adds to the spirit of the Tesseract community.

As we begin to enjoy the summer with our families, and I reflect on our journey together, I am—as always—proud to be a member of this special community. Thank you all.

Best,
Nigel Taplin

The 2011 Tesseract School Annual Green Tie Event Fundraiser, Bourbon Street Blues

Tesseract School's 2011 annual fundraiser, Bourbon Street Blues, was held March 12 at The Venue in Old Town Scottsdale. The doors opened for this fabulous event to a line of attendees waiting to be one of the lucky couples to receive one of only 20 guest favor bags with more than \$300 in special items. The evening then got off to a roaring start with an amazing silent auction where bidders excitedly took advantage of "Buy It Now" values on many coveted items and engaged in friendly bidding wars while enjoying jazz tunes from The Bad Cactus Band.

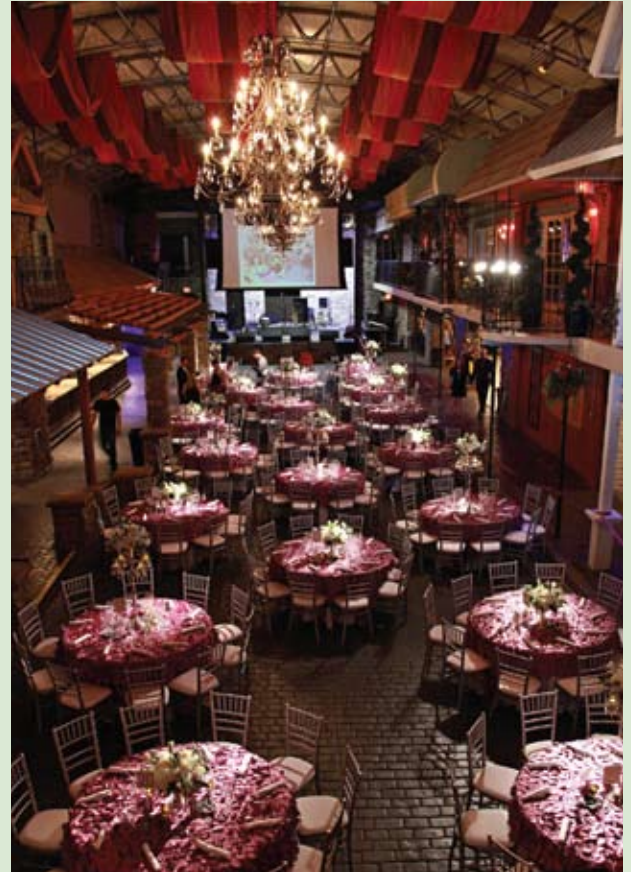

Guests soon moved to the beautiful dining area where everyone enjoyed an elegant seated dinner in the company of good friends and great music. By dessert the live auction was under way where many generous parents, friends and family and community partners not only bid to win exciting items, but also made donations to help support several of Tesseract's programs in the "Bids 4 Kids" segment.

After dinner, attendees had several entertaining activities to choose from including the Saints & Sinners casino room, lounging in the VIP area, dancing to tunes spun by our DJ, discovering their future with two fortune tellers and enjoying some quality time with friends.

Event chair, Denise Voss, and her team did an outstanding job of creating what some are calling "the best Tesseract event yet." Many volunteers worked extremely hard to ensure no detail was overlooked. The result was an impressive \$185,000 that was raised to benefit Tesseract's scholarship, technology, and visual and performing arts programs.

Tesseract's continued success as a leader in education is made possible by volunteer's commitment to school excellence, generous donations and outstanding sponsorships from our parents and community partners.

A big thank you to all the parents—you help to give the school it's heart, and set the tone for building a community that makes everyone feel welcome as soon as they step onto our campus.

Event Sponsors and Underwriters

A very special thank you to all of our sponsors and underwriters. We experienced the highest participation in school history from sponsors and underwriters. You played a critical role in the financial success of our event. We could not have been as successful without you. We are grateful for your support, and truly appreciate your contributions to the school.

Tiger Annual Fund Hits Milestones

The Tesseract Tiger celebrating with the Sun Room

We want to offer a sincere and grateful thank you to all the parents who contributed to the Tiger Annual Fund this year. Your contributions totaled more than \$180,000.

Because of your donations we were able to offer many special experiences to our students and much-needed items, further enhancing their curriculum. This included fine arts experiences, extra classroom computers,

sports equipment and art supplies. All grade levels benefited from these extra funds. You made a difference!

We also reached several milestones this year on the way to our successful fundraising campaign:

- October was the biggest month for donations in the school's history, accounting for more than 77 percent of all donations for the year during Tiger Annual Fund Month.
- We had the highest family participation rate ever—at all grade levels. We strive for 100 percent participation each year and this year we came closer to meeting that goal.
- The Sun Room became our first class to reach 100 percent participation. There was a celebration with the Tesseract Tiger, pizza and high-fives all around. It was a great example set by the parents of our youngest students.

Thank you to all who contributed this year. You helped to expand the Tesseract vision of offering only the very best in an educational experience.

Phillip Baker and Shawn Richter
Co-Chairs, Tiger Annual Fund •

NVEP-Tesseract—Arizona Private School Tax Credit Program

We raised more than \$149,000 this year for Tesseract School's scholarship fund—surpassing our goal by more than \$24,000—through the NVEP-Tesseract—Arizona Private School Tax Credit program. On behalf of the Development Committee and the Tesseract School Board of Trustees, I want to thank our wonderful community of parents, grandparents, educators, administrators and other friends of Tesseract School for their generous contributions to NVEP-Tesseract—Arizona Private School Tax Credit program.

The NVEP-Tesseract—Arizona Private School Tax Credit program funds are used exclusively for financial aid and benefit more than 25 percent of our student body. This year we were fortunate that the state of Arizona allowed donors to contribute to the program up until April 15 and apply the

credit to their 2010 taxes. We are hopeful this allowance will occur again for 2011.

Next year, we will have co-chairs for this program to represent both campuses. If you are interested in either of these positions, please feel free to contact me for more information. It has been rewarding to see the high level of participation, and I'm hoping we will be able to double our contributions for the next school year.

Thank you again,
Kim Hochschuler
Chair, NVEP-Tesseract—Arizona Private School Tax Credit Program •

Love Your School? Tell A Friend!

When we meet with prospective families, we always ask how they found out about Tesseract School. While we receive a variety of answers, the one we are the most pleased to hear is "from a friend."

We truly appreciate your support, and hope that you will continue to share your love of Tesseract School by encouraging friends, relatives and others you know to contact us if they are looking for a school for their children.

Thank you! •

KILN INSTALLED AT DOUBLETREE CAMPUS

Thanks to the generosity of several parents a kiln was installed at the Doubletree campus this spring. Art educator Emily Schneider and the parents wanted to bring a ceramic program, which they felt would enrich the art curriculum, to the lower school. As of this spring early childhood, kindergarten, first- and fourth-grade students have completed projects utilizing the kiln. Ms. Schneider has noticed that the children seem to work intuitively with clay, and their creations can be freer and more imaginative in some ways than with drawing. Moving forward, each grade at the Doubletree campus will be able to participate in at least one clay project a year. Ms. Schneider says it has been a pleasure to witness the children who have completed these projects so far and she looks forward to using clay with all the students next year. Many thanks to those who helped make this happen. ●

Tesseract Philosophy of Giving

As a member of the Tesseract School community, trustees, parents and employees are expected to contribute by giving their time, talents and/or assets. It is through all of our community giving 100 percent to Tesseract's campaigns, funds and special events that we enhance our ability to provide the highest quality education for our students and further our mission of academic excellence. ●
