2010 TESSERACT SUMMER LEARNING ADVENTURES

DOUBLETREE CAMPUS

Discovery Through Science (PS-Rising K)

Educators: Michelle Lappin and Kirstin McKee

Become scientists from a different field each week including chemistry, zoology and paleontology. Students will expand their knowledge and understanding through hands on experiments and outside visitors.

Underwater Adventures (PS-Rising K)

Educators: Tracy Lange and Melissa Kolnik

Become oceanographers while learning about the sea, from warm tropical reefs to polar ice caps. Through interactive experiences, science experiments and water activities students will understand the ocean and its plants and animals.

Learning with LEGO® (Rising Grades 1-4)

Educator: Jennifer Greer

Bring your love of LEGOs and learning as we explore concepts like engineering, communication and math.

American Girl Doll® (Rising Grades 1-3)

Educator: Jennifer Greer

Travel back in time to study American history and important events with the American Girl series. Through each girl's story, students will learn about music, art, crafts, games and everyday life from long ago.

Spanish Fiestas (Rising Grades 1-4)

Educator: Sylvia Garcia Gans

Have fun learning about Spanish-speaking countries and their people, art, music and holidays through their fiestas. Students will sing traditional songs, create folk art, enjoy field trips and be immersed in the Spanish language.

Aquatic Adventure! (Rising Grades 1-4)

Educators: Maureen Newkirk and Mary Passell

Join us to explore all things related to water—from water sports and the lifestyles in areas surrounded by water to the science of water and the animals that live in it. Students will take field trips and have fun learning in water environments.

Mysteries and Puzzles (Rising Grades 1-5)

Educator: Teresa Copeland

Keep minds and bodies active this summer! Students will enjoy puzzles, scavenger hunts, clue hunts and more, including mystery role-playing games and learning how to write, and solve, mystery stories.

Globe Trekkers (Rising Grades 2-4)

Educator: Tami McDaniel

Visit famous wonders of the ancient and modern world! Student-travelers will receive a "passport" to visit landmarks such as the Great Wall of China, Egyptian pyramids and the Eiffel Tower, immersing themselves in various cultures through art, music, food and games.

Step-Up Camp (Rising Grades 2-4)

Educator: Lauren Ross

Step up to a new school year by exploring the wonders of ancient Egypt! Through reading, writing and math activities students will learn about pyramids, pharaohs, mummification and much more! Students should bring a sack lunch.

Summer Musical Theater Camp (Rising Grades 3-8)

Educator: Terri Scullin

Explore musical theater through classes in acting, singing and dance! Theater professionals will share their expertise; field trips may include local theater productions and backstage tours. Students will share what they have learned through performances for family and friends.

SHEA CAMPUS

Digital Filmmaking (Rising Grades 5-11)

Educator: Ted Strickland

Discover filmmaking through various mediums. Students will watch movies and discuss character development to aid in creating characters for their own films, which will be made with digital camcorders and iMovie. Each student will receive a DVD with films made during this workshop.

Organization 101 (Rising Grades 5-8)

Educators: Tina Kanelos and Ted Strickland

Learn the key skills taught in Tesseract School's three-year organizational program: goal setting, time management, prioritization, organization of workspace and materials, study strategies and text manipulation—invaluable skills for middle school students!

"All the World's a Stage" Shakespeare Theater Camp (Rising Grades 5-11)

Educator: Terri Scullin

Develop acting skills and a better understanding of Shakespeare through classes in improvisation, literature study and scene work. Students will share what they have learned in a performance for family and friends. Field trips may include local theater productions and backstage tours.

SPORTS CAMP

Sports Camp (Rising Grades 1-5)

Coach: Scott Partridge

Have fun and make new friends this summer! Students will be introduced to new and exciting activities and a variety of sports that help promote physical fitness and good sportsmanship.

Get Fit Sports Camp (Rising Grades 4-12)

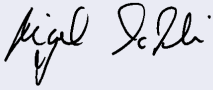

Coach: Amy Hurley

Be active and have fun this summer. Students will improve individual sports skills, enhance teamwork and leadership skills, develop nutritional awareness, and get exercise through fun, small sided-games including soccer, volleyball and basketball. Field trips may include rock climbing, swimming and ice skating.

ABOUT TESSERACT SCHOOL

A leader in education in the Valley, Tesseract School prepares students to excel in college and beyond, lead lives of purpose, and become ethical and compassionate citizens with a global perspective. Tesseract's innovative educational approach engages students in learning, enabling them to master the basics and become critical thinkers. Our students master the fundamentals of academics while experiencing a broad-based integrated curriculum that includes music, art, foreign language, technology, service learning and physical activity. This proven approach extends into our summer learning program. I look forward to your child joining the Tesseract community for what I am sure will be a happy and successful summer!
