Dear Friend of Tesseract School,

In Arizona, residents have the rare opportunity to assist private schools with scholarship funds for students in need through the Arizona Tax Credit. Due to the increased costs of providing a high-quality education, Tesseract School is faced with the challenge of making this education available for those in need. Your tax credit gift to the New Valley Education Partners – Tesseract School, will make a direct impact on the lives of students and their families, and there is absolutely NO COST to you.

Please help by completing and sending in the attached form today, or go to www.tesseracttaxcredit.org to donate online.

WHAT is a Tax Credit?

The Arizona legislature enacted a law in 1997 allowing individual taxpayers an Arizona income tax credit up to \$500 (single and head of household) or \$1,000 (married filing joint) for donations to a private STO (School Tuition Organization) such as the New Valley Education Partners on behalf of Tesseract School.

WHY is this a benefit to Tesseract?

Your contribution to the New Valley Education Partners designated for Tesseract School supports scholarships for students and their families. The New Valley Education Partners is a 501(c)(3) tax-exempt organization. All funds will be used solely for private school tuition assistance at Tesseract School.

WHEN is the Deadline?

Before December 31, 2009
