

TESSERACT UPPER SCHOOL SCHOLARSHIP PROGRAMS

Tesseract's comprehensive scholarship programs are designed to acknowledge and attract talented students who will thrive in a unique, innovative, student-centered upper school program.

Tesseract offers several different scholarships, each designed for accomplished students who exhibit a love of learning, strength of character and the exploration of passions and interests.

TYPES OF SCHOLARSHIPS AVAILABLE

Tesseract Merit Scholarship: Awarded to students who demonstrate considerable academic potential and have high standardized test scores. Educator recommendations are required.

Tesseract Math Scholarship: Awarded to students who have shown exceptional ability in pre-algebra and middle school algebra courses. Educator recommendations are required.

Tesseract Science Scholarship: Awarded to students who have a strong interest in and aptitude for science. Each student applying for this scholarship will create, plan and conduct a scientific investigation. This will include forming a hypothesis, gathering/analyzing data and presenting data in the form of an essay/report.

Tesseract Technology Scholarship: Awarded to students who demonstrate experience and proficiency in areas including programming, digital film/music editing, game design and 3-D modeling.

Tesseract History Scholarship: Awarded to students who have a passion for history. Each student applying for this scholarship will research a historical event that significantly influenced present-day society. He or she will then write an opinionated, well-researched essay detailing how present-day society would look had that historical event not taken place.

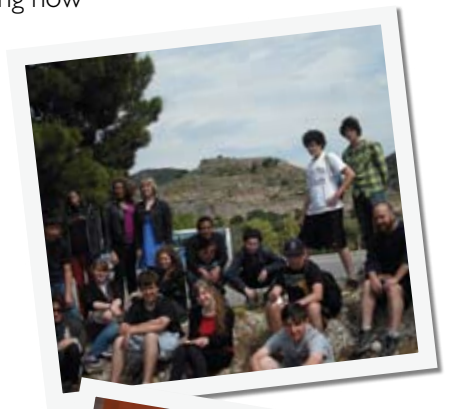

Tesseract Foreign Language Scholarship: Awarded to students who have four or more years of foreign language experience. Academic documentation and educator recommendations are required.

Tesseract Literary Scholarship: Awarded to students who have a strong interest in and passion for literature and writing. Students applying for this scholarship must submit an original published or unpublished short story or poem.

Tesseract Oration Scholarship: Awarded to students who have a strong interest in and aptitude for debate. Students applying for this scholarship will create a three to five minute video discussing the benefits of attending Tesseract based on Tesseract's mission statement.

Tesseract Arts Scholarship: Awarded to students who excel in performing or visual arts and maintain strong academic records. Requirements include academic documentation, educator recommendations and a brief audition or portfolio.

Tesseract Athletic Scholarship: Awarded to students who excel in individual or team athletics and maintain strong academic records. Academic documentation and recommendations from coaches are required.

Tesseract Leadership Scholarship: Awarded to students who have distinguished themselves in leadership roles through experience and personal reflection within their community. Students applying for this scholarship must submit an essay detailing their leadership role; educator recommendations are required.

Tesseract Entrepreneur Scholarship: Awarded to students who have demonstrated the creativity, skills, desire and abilities to become a micro-business owner. Students applying for this scholarship must submit an essay detailing their business plans.

Tesseract Environmentalism/Sustainability Scholarship: Awarded to students who have a special interest in environmentalism. Students applying for this scholarship must submit an original, creative project detailing environmental concerns and a plan of action outlining a solution.

Tesseract Community Outreach Scholarship: Awarded to students who demonstrate outstanding volunteer service in their community. Students applying for this scholarship must each submit an essay detailing the volunteer services they have performed; recommendations are required.

HOW TO APPLY

Tesseract School wants every student who will benefit and thrive from a Tesseract education to be able to attend this extraordinary school. Students interested in attending Tesseract are encouraged to explore all scholarship and financial assistance opportunities available. Scholarship applications are due by March 1, but will continue to be accepted after this date dependent on available funds. Applicants are strongly encouraged to submit scholarship applications as early as possible.

The director of admissions schedules interviews for one day per month for finalist candidates. During the interview day, candidates should be prepared to complete the following:

1. A shadow day with the ninth or 10th-grade class
2. An essay
3. A series of evaluative assessments
4. A personal interview with the director of upper school

SCHOLARSHIP AWARDS

Scholarships may be renewed each year a student is enrolled in Tesseract's upper school. The award is automatically renewed for each year the recipient remains at Tesseract as long as he or she continues to meet academic standards and maintains a clear record of conduct. Scholarship recipients are also eligible to apply for need-based financial aid.

For more information about applying for Tesseract scholarships, or about applying to Tesseract School, please contact Scott Salk at 480.385.3673 or ssalk@tesseractschool.org.
